

SPONSORSHIP

Certified that Dr./Mr./Ms. _____
_____ is with our
institution/organization since _____.

Presently, he/she is working as _____
_____, in the
Department of _____
_____, and is sponsored for
the One-day National Workshop
on “**Network Programming**” at
**Methodist College of
Engineering and Technology,
King Koti Road, Abids
Hyderabad** on 23rd September, 2011.

Place :

Date :

**Signature of the Head of the
Institution/ Organization with seal**

Patrons

Shri Krishna Rao, Secretary & Correspondent

Chairman

Dr. M.Lakshmi pathi Rao, Director (Academics)

Co-Chairman

Smt. P. Lavanya, HoD, CSE

Advisory Committee

Dr. P. Rajendra Prasad Reddy, Vice-Principal

Smt E. Shailaja, HoD, IT

Dr. N.H Shobha Reddy, HoD, ECE

Shri. CVR. SriLaliitNarayana., HoD, EEE

Shri C.Venkateshwar Reddy, HoD, MECH

Shri SLMN Hari Gopal, HoD, MBA

Convener

Shri. T. Praveen Kumar, Asst.Prof CSE

Organising Committee

Shri. P.Vijay Varma, Asst.Prof,CSE

Smt. N.Sunanda, Asst.Prof,CSE

Smt B.Jayalaxmi, Asst.Prof,CSE

Shri A.Rajashekar, Asst.Prof,CSE

Shri. D.RamaKrishna, Asst.Prof,CSE

Ms. Poonam Chanakya, Asst.Prof,CSE

Address for Correspondence

T.Praveen Kumar, Asst.Prof

Department of CSE

Methodist College of Engineering and
Technology.

Technical Workshop

on

Network Programming

23rd September, 2011

Department of Computer Science and Engineering

**Methodist College of Engineering
and Technology**

King Koti Road, Abids ,Hyderabad 500 001
www.methodist.edu.in

Preamble

Network Programming is an important and emerging field in Computer Science. Even though the Software industry has identified its importance many years back, most of the developments have taken place recently. It is also included in curriculum of B.Tech/B.E., M.Tech., and MCA programmes.

Objectives

The primary objectives of the Workshop is to familiarize the participants with Network Programming, and to discuss various practical problems using Socket Programming.

Topics

Some of the significant topics for discussion and interaction are listed below.

- Working with Protocols.
- Using Sockets.
- Implementation and evaluation of various Networking Protocols.
- Configuring Client-Server for mail or Chat communication
- Using Network ports for monitoring
- Implementation of Internet based protocols.

About Methodist College of Engineering and Technology

This institution offers B.E. programs in CSE, IT, ECE, EEE and Mechanical Engineering. It also offers M. Tech. program in CAD, besides postgraduate courses in Management (MBA).

Resource Person

The resource person is Mr. P. Radha Krishna, Senior Scientist from CCMB, Hyderabad. He has expertise both in industry and Academics .He has specializations in Computer Networks, Data and Mobile Communications and Network Security.

Eligibility

- Faculty and students of MCET
- Industry/Academic personals.

Registration Fee

- Industry Rs. 500.00
- Faculty Rs. 200.00
- Students Rs. 100.00

Participants may register by sending the enclosed registration form by post or e-mail to hod_cse@methodist.edu.in. The registration fee to be paid by cash at the venue.

Important Dates

Receipt of applications 21st September, 2011
Confirmation of applications 22nd September 2011

Venue

Methodist College of Engineering and Technology

King Koti Road, Abids, Hyderabad 500 001
