Subject: Request to provide internship -reg.

Dear Sir,

We are pleased to introduce ourselves that Methodist College of Engineering and Technology is established in the year 2008, situated in the heart of the Hyderabad city to promote engineering education to both urban and rural students. The college is approved by AICTE, New Delhi and affiliated to Osmania University. The department of mechanical engineering is offering both undergraduate course B.E. with an intake of 120 and post graduate course M.E. (CAD / CAM) with an intake of 180. The department believes in "learning by doing" and gives utmost importance to practical exposure to the students in understanding the concepts and principles of engineering. This can be achieved only with mutual collaboration and cooperation between the institute and industry. Further as per university academic norms, every student has to undergo one month internship in the industry after completing their VI semester class work.

In this process, the following students are interested to undergo internship in your esteemed organization. Hence we request you to permit them to work as an intern in your organization during Dec 2020 - Jan2021.

1.Ghulam Murtuza Mohammed (160717736051)

We expect your support and cooperation in this regard.

Thanking you.

Subject: Request to provide internship -reg.

Dear Sir,

We are pleased to introduce ourselves that Methodist College of Engineering and Technology is established in the year 2008, situated in the heart of the Hyderabad city to promote engineering education to both urban and rural students. The college is approved by AICTE, New Delhi and affiliated to Osmania University. The department of mechanical engineering is offering both undergraduate course B.E. with an intake of 120 and post graduate course M.E. (CAD / CAM) with an intake of 18. The department believes in "learning by doing" and gives utmost importance to practical exposure to the students in understanding the concepts and principles of engineering. This can be achieved only with mutual collaboration and cooperation between the institute and industry. Further as per university academic norms, every student has to undergo one month internship in the industry after completing their VI semester class work.

In this process, the following students are interested to undergo internship in your esteemed organization. Hence we request you to permit them to work as an intern in your organization during Dec 2020 - Jan 2021.

- 1.G.Rajendra (160717736067)
- 2. Akshay Bharadwaj Paramkusham (160717736320)
- 3. Sandeep Nune (160717736332)

We expect your support and cooperation in this regard.
