**Report on Engineers Day**

Engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation’s technological and industrial growth. Engineers’ Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineers in India and Bharat Ratna recipient, Sir Mokshagundam Visvesvarayya, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

We at Methodist celebrated Engineer’s Day on 15th September 2023 in honor of Dr. M Visvesvarayya. The main objective of the event was to encourage students to develop sense of responsibility towards their society motivate them to contribute their services for the development of our society. On this occasion poster presentation and painting competitions were organised by the departments of CSE,ECE,CIVIL,MECH and EEE. These events were organised in the respective departments. Nearly 100 students actively participated in these competitions and showcased their talent. Heads of the departments honoured Dr.

M.Visvesvarayya by remembering the services rendered by him and encouraged the students follow his footsteps for the development of their society. The initiative taken by all the department at MCET was highly appreciated by all the staff members and the students. It was an open opportunity to all the students to showcase their talents.

### Summary Report

Fresher's Day is a significant event organized to welcome new students to Methodist College of Engineering & Technology. The event serves as an opportunity for fresher's to get acquainted with their peers, faculty, and the college environment. This year's Fresher's Day was held on 14<sup>th</sup> October 2023 with a series of activities designed to integrate new students into the college community. The event commenced with a welcome address by the Principal, Dr. Prabhu G Benakop, who highlighted the college's mission and the importance of academic and personal development. Head Department of Humanities and sciences welcomed the Freshers and encouraged them to do best in their future endeavours. Freshers along with their seniors got chance to showcase their talent by a stunning Ramp walk, various Dance performances like solo, Duo, Group dances. Later small games were organized to make the function more tricky and fun! Talking about the ramp walk, it was conducted in two rounds. In the Round 1- the participants walked on the ramp and gave poses towards the audiences. The audiences enjoyed the fashion show and they encouraged the participants by making hooping sounds. Later in the Round 2- the shortlisted participants walked again on the ramp and they were asked to stand in the line followed by the questioning session based on which the Mr. and Ms. Freshers were finalized. There was a tough competition among the freshers as they all were amazing! A series of performances by existing students showcased the college's cultural diversity and talent, including music, dance, and drama. The day concluded with a lunch where students and faculty mingled, allowing new students to establish connections and friendships. The event saw a strong turnout with 250 new students participating. The ice-breaker activities and cultural performances were particularly well-received; helping to build rapport among students. The well-organized schedule and the variety of activities effectively introduced new students to the college environment and fostered a sense of community. The Fresher's Day at Methodist College of Engineering & Technology was a successful event that achieved its goals of welcoming and integrating new students. The positive feedback received indicates that the event was effective in creating a welcoming atmosphere and providing valuable information to the incoming batch.

### Report on Delicious Day.

Choosing organic foods can make us feel healthier and help our environment. Without worrying about diet, organic foods are a smart choice. Choosing to eat organic foods is a good decision, especially for our health and the planet. Organic foods are free of bad chemicals, and have a lot more nutrients, taste, and give us sustainable energy. Eating organic foods is a great way to avoid chemical and poisons that are in commercial food grown. Keeping this in mind a healthy food festival was organised by The Department Of Business Management on June 28th, 2024.

The festival was titled "Delicious Day" where students brought in a variety of food items and showcased each of their health benefits. These included several fresh fruits and raw vegetables along with nutritious drinks which were served by the 1st year students to all those who attended. The food items offered were prepared using minimal appliances and basic utensils of everyday use. Principal Sir along with Department heads of various department inaugurated the event .

Later they all enjoyed the food served by the students and students explained the benefits of all the food items. Principal and faculty members enjoyed the food and appreciated students for their efforts. Both the faculty and students were actively engaged throughout the event thereby leading to a grand success appreciated by all.
