

**5.4.1** The institution boasts a registered and dynamic Alumni Association, which plays a pivotal role in the continuous development and growth of the college through both financial and non-financial support.

Established in 2008, the college has since graduated 13 cohorts of students. The *MCETAA* (Methodist College of Engineering and Technology Alumni Association), founded in 2019, has been an instrumental force in fostering a strong relationship between the alumni and the institution. The association's active participation in the institution's progress has been reflected through its diverse contributions, encompassing financial aid, mentorship, career guidance, and skill-building support.

#### **Financial Contributions:**

In the Academic Year 2023-24, the *MCETAA* made a generous financial contribution of Rs. 1,65,500/- towards various development projects and student welfare initiatives within the college. This significant support underscores the alumni's commitment to the growth of the institution and their continued connection to the college's mission and vision.

#### **Engagement with Current Students:**

The Alumni Association regularly organizes *Alumni Interaction Seminars*, offering a platform for alumni to engage with current students. During these seminars, alumni share their personal and professional journeys, providing insights into their academic experiences at the college as well as their career trajectories. These interactions inspire students by highlighting diverse career opportunities, offering practical advice, and motivating them to aim for excellence in their professional and academic pursuits.

#### **Career Guidance and Employability Support:**

Alumni actively contribute to enhancing the employability of current students by offering guidance on career pathways and industry trends. Through one-on-one mentoring sessions and group discussions, alumni impart their valuable knowledge, providing students with an understanding of the evolving job market and the skills necessary for career success. These efforts equip students with the tools and confidence to navigate their future careers and gain a competitive edge in their chosen fields.

**Mentorship for Career Development and Entrepreneurial Skills:**

The alumni also serve as mentors to students, offering personalized advice on career opportunities and strategies for professional advancement. By discussing key technical and non-technical competencies, alumni help students develop the skills essential for career growth and success. In addition, the alumni encourage entrepreneurial thinking by sharing their own experiences as entrepreneurs, fostering a spirit of innovation and business acumen among the student body. This guidance inspires many students to consider entrepreneurship as a viable and rewarding career option.

## DEPARTMENT OF BUSINESS MANAGEMENT

### Alumni Interaction Session on “Career Guidance” – Dt. 25.11.2023 - Report

The Department of Business Management had organized its first Alumni Interaction Session for the year 2023-24, on Saturday 25<sup>th</sup> November, 2023 at Seminar Hall, D Block, in MCET campus. The Guest Speakers for the session were our distinguished Alumni students Mr.Mrinal Sen and Mr.Bharat. They addressed the current 1<sup>st</sup> and 2<sup>nd</sup> year students of MBA and spoke on the topic “Career Guidance”. The speakers of the day spoke elaborately on career planning and various paths towards achieving goals for the benefit of the students attended. They gave very good inputs on how to become a successful person and a good human being. They shared about their struggles they faced in the beginning of their careers when the opportunities were limited and how they reached to their successful positions in the corporate today. Students of current batches have interacted with the speakers very well with their questions and got clarified on their doubts. The session started at around 11.45 AM and ended at around 1.15 PM. Afterwards, refreshments were arranged for the guest speakers and the faculty members at MBA Dept.

## DEPARTMENT OF BUSINESS MANAGEMENT

### ALUMNI MEET – 2023 - Report

The Department of Business Management had organized its first ever exclusive MBA Alumni Meet, on **Saturday 18<sup>th</sup> November, 2023** at Seminar Hall, D Block in MCET campus. It was a meet-up event of the students of all the previous batches up to the year 2023. As a first step, more than a month prior to the schedule, students were informed about the event through whatsapp messages and a google form was shared in all the previous batches student groups for their registrations to attend the program, followed by a whatsapp poll to get the final confirmations. Finally, 52 students from different batches have attended the event on the said date. Invitations were given to our beloved Chairman sir Shri K. Krishna Rao garu, and all the dignitaries such as Principal sir, Director sir, Deans, HoDs of all other departments, A.O. sir, Library, Exam Branch, Alumni Coordinators etc. With the guidance and help from the HoD Madam and faculty members of MBA Dept., the student coordinators from the current 2<sup>nd</sup> year have organized the program in a systematic manner as per the detailed schedule starting with the lighting of the lamp by all the dignitaries and cultural activities by 2<sup>nd</sup> year students, followed by Welcome address by our HoD Madam, speeches by our Principal sir and Director sir. The main part of the program was the speeches by Alumni students wherein they have shared their experiences during their college days in MCET and also about their work and life experiences afterwards. They have given very good inputs to the current students about how to plan their career, importance of college life and being regular to the college to cherish the last stage of student journey. It was truly a nostalgic experience for all the attended Alumni students during the event. Later, the faculty members of MBA Dept spoke on the occasion including our Alumni Student and also the present faculty member Mrs.A.Swathi madam. The event had a very good participation by 1<sup>st</sup> and 2<sup>nd</sup> year students of MBA, HoDs and faculty/staff members of other departments, A.O.sir etc. Refreshments were provided to all the participants, and a nice and sumptuous lunch was provided to all the Alumni students, dignitaries and student coordinators. As a token of our affection and remembrance, the MBA Dept presented “Money-plant Pots” as mementos to all the Alumni students and the dignitaries. The event was concluded with photo sessions and wonderful memories.

**Subject:** Proposal for Alumni Interaction Session with Md. Yousufuddin

**Respected Madam,**

I am writing to propose the organization of an **Alumni Interaction Session** for the VI semester students with our distinguished alumnus, **Md. Yousufuddin** (2016-2020 batch). Currently employed as a **Civil Engineer in Saudi Arabia**, he has kindly agreed to share his insights and experiences regarding **job prospects in the Middle East**, with a particular focus on opportunities for Civil Engineers.

**Details of the Program:**

- **Date:** 22nd June 2024
- **Time:** 12:00 PM to 1:00 PM
- **Venue:** Room No. 303

This session will motivate students, enhance their understanding of industry trends, and prepare them for career opportunities in the Gulf region.

We kindly request your approval to organize this program and your guidance in ensuring its success.

Thank you

Yours sincerely

Alumni Coordinator, CED

Dt: 21/6/2024

### Circular

Dear Students,

We are pleased to inform you that an **Alumni Interaction Session** is scheduled to be conducted by our esteemed alumnus, **Md. Yousufuddin**, a graduate of the 2016-2020 batch. Currently working as a **Civil Engineer in Saudi Arabia**, he will be sharing his experiences and insights on **job prospects in the Middle East**, with a special focus on opportunities for Civil Engineers.

#### Details of the Session:

- ☐ Date: 22nd June 2024
- ☐ Time: 12:00 PM to 1:00 PM
- ☐ Venue: Room No. 303

This session will provide valuable guidance on industry trends, career preparation, and adapting to work environments in the Gulf region. Students will also have the opportunity to interact with Md. Yousufuddin and get their queries addressed regarding career opportunities abroad.

We encourage all VI semester students to attend this session and make the most of this opportunity.

#### Report on Alumni Interaction Session with Md. Yousufuddin

On 22nd June 2024, an inspiring alumni interaction session was organized for VI semester students. The session was addressed by **Md. Yousufuddin**, an alumnus of the 2016-2020 batch. Currently working as a **Civil Engineer in Saudi Arabia**, he shared valuable insights about **job prospects in the Middle East**, focusing on the growing demand for skilled civil engineers in the region.

During the interactive session, which lasted over half an hour, Md. Yousufuddin discussed various career opportunities, the necessary skills, and how to prepare for employment in the Middle East. He provided practical advice on adapting to the work culture and understanding the professional requirements of companies in the Gulf region.

Students actively participated by posing questions about job opportunities, visa processes, and skill development. Md. Yousufuddin patiently clarified their queries, offering detailed and encouraging responses.

Md. Yousufuddin, Alumni Addressing the Students

He concluded the session with a heartfelt promise to support his juniors aspiring to secure positions in the Middle East, offering guidance and assistance wherever possible. His gesture of willingness to mentor and help his juniors was greatly appreciated. The event witnessed enthusiastic participation, with **40 students** actively attending the session

This session not only motivated the students but also provided them with a roadmap to explore career opportunities in the Middle East. The department and students expressed their gratitude to Md. Yousufuddin for his time and invaluable advice.

**Subject:** Proposal for Alumni Interaction Session with Bhargav Gundameedi

Respected Madam,

I am writing to propose the organization of an **Alumni Interaction Session** for the VII semester students with our esteemed alumnus, **Bhargav Gundameedi**, from the 2016-2020 batch. Bhargav has completed his **Master of Science (MS) in Sustainability Engineering** from **Aston University** and is currently working as a **Business Analyst in Business Development** at **Arcadis**.

**Details of the Program:**

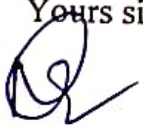

- **Date:** 10th January 2024
- **Time:** 11:00 AM to 12:00 PM
- **Venue:** Room No. 303

Students will gain valuable perspectives on pursuing higher education, enhancing their skills, and navigating career opportunities in the global market.

We kindly seek your approval to organize this session and your support in making it a success.

Thank you

Yours sincerely

### Circular

Dear Students,

We are pleased to announce an **Alumni Interaction Session** with **Bhargav Gundameedi**, a distinguished alumnus of the 2016-2020 batch. Bhargav completed his **Master of Science (MS) in Sustainability Engineering** from **Aston University** and is currently working as a **Business Analyst in Business Development** at **Arcadis**.

He will be sharing his experiences about the **journey beyond graduation**, including insights on higher education, career planning, and the importance of sustainability in engineering.

#### Details of the Session:

- **Date:** 10th January 2024
- **Time:** 11:00 AM to 12:00 PM
- **Venue:** Room No. 303

All VII semester students are encouraged to attend this session to gain valuable insights and interact with an accomplished alumnus.

#### Report on Alumni Interaction Session

An Alumni Interaction Session was successfully organized for the VII semester students on 10th January 2024 in Room No 303 from 11 Am to 12 Pm. The session was conducted by **Bhargav Gundameedi**, an alumnus of the 2016-2020 batch, who completed his **Master of Science (MS) in Sustainability Engineering** from **Aston University**. He is currently working as a **Business Analyst in Business Development at Arcadis**.

Bhargav shared his experiences about the **journey beyond graduation**, offering valuable insights into transitioning from academic life to professional careers. He discussed key strategies for career growth, industry expectations, and the importance of adaptability in a competitive work environment.

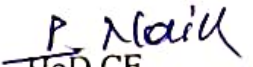

HoD & Assoc.HoD presenting Memento to Alumni Student

The event witnessed enthusiastic participation, with **63 students** attending the session. Students actively engaged with Bhargav, asking questions about career planning, skill enhancement, and industry dynamics. He patiently clarified their queries, provided practical advice, and inspired them to prepare for a successful career journey.

The session was well-received, and students expressed their gratitude for the chance to learn from an accomplished alumnus.

**Department of Mechanical Engineering  
Alumni Meet Circular**

**Subject:** Alumni Meet with Ms. G. Vigneshwari (Roll No: 160717736335)

Dear Students,

We are delighted to announce an Alumni Meet with our distinguished alumna, Ms. G. Vigneshwari, a proud graduate of our department who has successfully ventured into entrepreneurship by establishing her own manufacturing unit specializing in disposable plate manufacturing machines. This session is an incredible opportunity for V and VII semester students of Mechanical Engineering to gain insights from a visionary entrepreneur and to learn about the practical aspects of starting and managing a manufacturing business.

**Agenda:**

**1. Journey to Entrepreneurship:**

- Key challenges and opportunities in starting a manufacturing business.
- Insights into market research, funding, and resource management.
- Practical strategies for running a successful venture in the manufacturing sector.

**2. Suggestions for Institutional and Departmental Development:**

- Recommendations from Ms. G. Vigneshwari on fostering entrepreneurial skills.
- Alumni perspectives on integrating industry-oriented learning into the curriculum.

This session aims to inspire students to explore entrepreneurship as a career path while fostering alumni engagement for the growth of the institution.

All V and VII semester students are requested to attend and make the most of this opportunity.

Let's make this session a meaningful exchange of ideas and experiences!

**Department of Mechanical Engineering  
Minutes of Meeting**

**Meeting Subject:** Alumni Interaction Session with Ms. G. Vigneshwari (Roll No: 160717736335)

**Attendees:**

- Ms. G. Vigneshwari (Alumna)
- Head of Department, Mechanical Engineering
- Faculty members of Mechanical Engineering
- Students of Mechanical Engineering-50 Students

**Agenda:**

- Journey to Entrepreneurship.
- Suggestions from alumni for institutional and departmental development.

**Proceedings:**

**Welcome Address:**

The session began with a formal welcome by **Dr. A. Raja Sekhar**, highlighting Ms. G. Vigneshwari's academic journey and her recent success in establishing a manufacturing unit for disposable plate manufacturing machines.

**Discussion on Journey to Entrepreneurship:**

Ms. Vigneshwari shared her entrepreneurial journey, emphasizing:

- The importance of identifying market needs and opportunities.
- Steps to set up a manufacturing unit, including procurement, production planning, and quality control.
- Insights into funding options and financial management for startups.
- Overcoming initial challenges through perseverance and adaptability.

**Interactive Q&A Session:**

Students actively participated by asking questions on topics such as business planning, market competition, and strategies for scaling up.

Ms. Vigneshwari provided detailed responses, encouraging students to consider entrepreneurship as a viable and rewarding career option.

**Suggestions for Development:**

Ms. Vigneshwari proposed the following initiatives for the department:

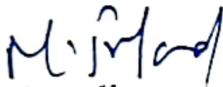

- Organizing workshops and seminars on entrepreneurship and business management.
- Setting up an incubation center to support student startups.
- Strengthening industry collaborations for real-world exposure.

**Vote of Thanks:**

**Dr. M. Udaya Kumar** thanked Ms. Vigneshwari for her insightful session and students for their active participation.

**Decisions and Action Items:**

- Explore the feasibility of establishing an incubation center for budding entrepreneurs.
- Plan workshops and sessions on entrepreneurship in future academic schedules.
- Strengthen alumni engagement by organizing similar events regularly.

## Alumni Meet Report

### Event Summary:

The Department of Mechanical Engineering successfully organized an alumni meet featuring **Ms. G. Vigneshwari (Roll No: 160717736334)**, a distinguished alumna from the 2016 batch, who has established her own manufacturing unit specializing in disposable plate manufacturing machines. The session was attended by students of V and VII semesters, along with faculty members and the Head of the Department.

### Key Highlights of the Event:

#### Welcome Address:

The event commenced with a warm welcome by **Dr. A. Raja Sekhar**, introducing Ms. Vigneshwari and highlighting her academic journey, achievements, and entrepreneurial success.

#### Presentation by Ms. G. Vigneshwari:

##### Journey to Entrepreneurship:

Ms. Vigneshwari shared her entrepreneurial strategies, focusing on:

- Market research and identifying business opportunities.
- Financial planning and securing resources.
- Overcoming operational challenges through innovative solutions.

#### Personal Journey and Challenges:

- She spoke about her challenges and how she overcame them, motivating students to pursue their entrepreneurial dreams.

#### Interactive Session:

- Students enthusiastically asked questions about starting and managing a manufacturing business.
- Ms. Vigneshwari provided actionable insights and practical advice tailored to aspiring entrepreneurs.

#### Suggestions for Institutional Development:

- Ms. Vigneshwari emphasized integrating entrepreneurial learning into the curriculum.
- She recommended creating an incubation center to support innovative ideas.
- Encouraged hosting more alumni meets to inspire and guide students.

**Vote of Thanks:**

The session concluded with a vote of thanks by **Dr. M. Udaya Kumar**, acknowledging Ms. Vigneshwari's valuable insights and the active participation of students.

**Outcome:**

- Students gained a deeper understanding of entrepreneurship and its challenges.
- Constructive suggestions for departmental growth were received, which will be implemented in future plans.
- Strengthened the alumni-institution bond, fostering a collaborative culture.

### Department of Mechanical Engineering Alumni Meet Circular

**Subject:** Alumni Meet with Mr. S. Ajay Kanth (Roll No: 160717736010)

Dear Students,

We are delighted to announce an Alumni Meet with our distinguished alumnus, Mr. S. Ajay Kanth, a proud graduate of our department who is currently working as a **Junior Assistant** in the **Cyberabad Commissionerate Department**. This session provides an incredible opportunity for V and VII semester students of Mechanical Engineering to gain valuable insights from an alumnus who has successfully entered a prestigious government service.

#### Agenda:

##### 1. Career Path to Government Service:

- Insights into securing a position in government departments.
- Preparation strategies, resources, and skills required for such roles.
- Challenges faced and effective solutions.

##### 2. Suggestions for Institutional and Departmental Development:

- Recommendations from Mr. S. Ajay Kanth to improve students' readiness for government opportunities.
- Alumni perspectives on bridging the gap between academic learning and administrative service skills.

This session aims to inspire students to consider careers in government service while fostering alumni engagement for the betterment of the institution.

All III, V and VII semester students are requested to attend and make the most of this opportunity.

Let's make this session a meaningful exchange of ideas and experiences!

### Department of Mechanical Engineering Minutes of Meeting

**Meeting Subject:** Alumni Interaction Session with Mr. S. Ajay Kanth (Roll No: 160717736010)

#### Attendees:

- Mr. S. Ajay Kanth (Alumnus)
- Head of Department, Mechanical Engineering
- Faculty members of Mechanical Engineering
- Students of III, V and VII Semesters, Mechanical Engineering (60 Students)

#### Agenda:

- Career Path to Government Service.
- Suggestions from alumni for institutional and departmental development.

#### Proceedings:

##### Welcome Address:

The session began with a formal welcome by **Dr. A. Raja Sekhar**, who introduced Mr. S. Ajay Kanth by highlighting his academic journey and current role as a Junior Assistant in the Cyberabad Commissionerate Department.

#### Discussion on Career Path to Government Service:

Mr. Ajay Kanth shared his journey into government service, emphasizing:

- The importance of understanding eligibility requirements and the selection process.
- Utilizing government exam resources such as notification updates, study materials, and coaching programs.
- Time management strategies and the role of consistency in preparation.
- Overcoming challenges like competition and stress through planning and discipline.

#### Interactive Q&A Session:

Students actively engaged in a Q&A session, asking questions related to:

- Exam preparation strategies for government jobs.
  - Balancing academics with competitive exam preparation.
  - Coping with stress and maintaining focus during preparation.
- Mr. Ajay Kanth provided detailed responses, offering practical and motivational advice.

**Suggestions for Development:**

Mr. Ajay Kanth proposed the following initiatives for the department:

- Conducting regular awareness sessions on government job opportunities.
- Establishing a dedicated guidance cell for government job aspirants.
- Organizing workshops on administrative skills and soft skills development.

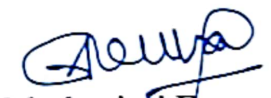

**Vote of Thanks:**

**Dr. M. Udaya Kumar** expressed gratitude to Mr. Ajay Kanth for his insightful session and students for their active participation.

**Decisions and Action Items:**

- Plan workshops and interactive sessions focusing on government job preparation.
- Explore the feasibility of creating a guidance cell for competitive exams.
- Organize similar alumni engagement programs regularly.

**Subject:** Alumni Meet with Mr. B. Sai Teja (Roll No: 160716736033)

Dear Students,

We are delighted to announce an Alumni Meet with our distinguished alumnus, Mr. B. Sai Teja, a proud graduate of our department who is currently serving as a **Reserved Sub-Inspector (S.I.)**. This session provides an exceptional opportunity for V and VII semester students of Mechanical Engineering to interact with an alumnus who has successfully entered the prestigious police force.

**Agenda:**

**1. Journey to a Career in the Police Force:**

- Insights into the preparation and selection process for police services.
- Tips for physical fitness, mental preparedness, and skill development.
- Challenges faced during the training and examination phases and how to overcome them.

**2. Suggestions for Institutional and Departmental Development:**

- Recommendations from Mr. B. Sai Teja on developing leadership and discipline among students.
- Alumni perspectives on bridging the gap between academic training and real-world service demands.

This session aims to inspire students to consider careers in law enforcement and public service while fostering stronger alumni engagement for institutional growth.

All III, V and VII semester students are requested to attend and make the most of this opportunity.
