

COLLEGE OF ENGINEERING & TECHNOLOGY

(AUTONOMOUS INSTITUTION)

(Approved by AICTE, New Delhi, Affiliated to Osmania University)
Accredited by NBA and NAAC with A+ Grade

4.1.1 The institution has adequate infrastructure and physical facilities for teaching – learning, viz., classrooms, laboratories, computing equipment etc.

Methodist College of Engineering and Technology has 5 acres sprawling campus of various blocks such as A, B, C, D, E. Institute has adequate number of class rooms including tutorial rooms i.e. 49, laboratories 40, project labs 05, seminar halls 03, Library 01. The total built up area of the campus is 14128.4 square meter. The institution has adequate physical infrastructure to effectual and well-organized deliverance of teaching and learning programmes. At the beginning of the academic year, any up-gradation / additional requirement of infrastructure etc. are met based on the suggestions from higher authorities, Institutional Head, Heads of the departments and also students' grievances. Optimal use of infrastructure is ensured through conducting workshops/ seminars/training programs for students and faculty. The physical facilities are maintained by the care taker under the supervision of A.O.

Institution is well equipped with Wi-Fi enabled class rooms with LCD facilities, ICT enabled facilities in seminar halls. The best possible deployment is ensured through innovative teaching – learning practices by NPTEL/ MOOCS for each department. Institute has well equipped laboratories for the students to do practical and demonstrations which enhance the learning process. Electronic gadgets like LCD projectors, computers, printers, photocopiers are serviced optimally used.
