SSN College of Engineering, OMR, Kalavakkam,

Chennai.

Sub: Invitation to be the Guest for a one day national webinar on “Recent Advances in welding and Additive Manufacturing topics. - Reg.

Indian Welding Society Hyderabad centre was established on 06 January 2003 attached to south zone. To promote the advancement of welding and to facilitate exchange of ideas, information, development work etc. amongst members and student community, IWS Hyderabad centre is organizing one day webinar on Recent Advances in welding and Additive Manufacturing topics on 8/7/2020 in association with the Department of Mechanical Engineering, Methodist College of Engineering & Technology, Hyderabad. In this regard, I take privilege to inviting you to be the Guest of speaker for the webinar on 8/7/2020 at 11:00 A.M.

Your acceptance will be a great honor to all the participants as well as for the organizers.

Looking forward for your positive response.

Regards,

Dr.P.Prabhuraj

Proposal

Submitted to The Principal

Methodist College of Engineering & Technology
Abids. Hyderabad.

From:

Dr. Prabhuraj.

Associate Professor & Coordinator

Through:

Dr. A. Rajasekhar

Professor & Head of Mech. Dept.

Subject: Proposal for a one-day webinar on "**Friction Based Solid State Additive Manufacturing Techniques**"

Sir,

Mechanical department is planning to organise a one-day webinar on Friction Based Solid State Additive Manufacturing Techniques. Person from industry, research, academic, and students will be the participants, which will help them to gain knowledge in the field of additive manufacturing.

Request for an early approval so as to initiate programming and schedule for webinar.

Regards,
Coordinator

Report on webinar

The webinar on friction stir welding by additive manufacturing was conducted successfully on 8-7-2020 by department of mechanical engineering Methodist college of engineering. The participants were from various institutions all over India and also from industries. The speaker had delivered his speech which was very informative and according to the recent technology in the field of welding. The attendance of the participants was very good and conduct of the webinar was also as per schedule. The feedback given by the participants is excellent with respect to content of webinar, schedule, preparedness of speaker, explaining capability of speaker. I am very much thankful to the management

The students were satisfied by his way of presentation and communication of subject. Further the tutor has very well transforms the innovative techniques involved in the subject currently practiced in manufacturing industry.

Dear Maaz khan I spoke to head of the department about conducting a session on Entrepreneurship on MAY4,2021. He agreed to organize the session. The information which you have sent me will be forwarded to the third and final year students for registrations. We together will conduct the session successfully. Thank you so much for initiating this session.

Mr. K. Srinivasa Raghavan

Methodist College of Engineering and Technology

Sub: Request for conducting an online info session on Entrepreneurship

Respected Sir,

I am Maaz Ahmed Khan from MECHANICAL – 3B.

I, along with a few students from our college, Saad, Musharraf, Ansab, Shaikh Ahmed, and Syed Nouman, would like to organize an info session online for all of our college students on Student Entrepreneurship.

The info session will be regarding student entrepreneurship encouraging the students to take up entrepreneurship.

This session will give the students a detailed overview of entrepreneurship and how students can become entrepreneurs while studying. It will also highlight the benefits of becoming an entrepreneur. The common myths will be explained by the speaker who himself has launched many known startups and is a founder, CEO of many.

The duration of the session will be for an hour.

The suggested date to organize the session is on 4th May 2021.

Since the event is open to all the students of our college are welcomed, promotion by the College Faculty on Official WhatsApp groups will encourage the students to attend the session. A poster and a registration link are also provided also.

The session will be taken by guest speaker Meraj Faheem, Founder of TheHackingSchool.com - India's First Coding Bootcamp, CEO code.in , also Innovation Fellow 2018, Govt. of Telangana.

 Coordination

Yours Sincerely,

Maaz Ahmed Khan

Proposal

To
The Principal
Methodist College of Engineering & Technology
Abids. Hyderabad.

Subject: Proposal for a Webinar on All About Entrepreneurship by Meeraz Faheem-Reg.

Sir,

Mechanical Engg. department is planning to organise a webinar on All About Entrepreneurship by Meeraz Faheem, Founder & CEO, Code.in, Edventure Park on 04-05-2021. Students are able to get guidance about the entrepreneurship

In View of this I am Requesting you to grant permission to conduct the webinar on above said date.

Regards,

K. S. Bhagawan
Coordinator

*Forwarded to the
Principal for approval.

Activity Report

An online webinar on student entrepreneurship was organized by Methodist college of engineering and technology on 04-05-2021. The platform for webinar was Google Meet. 103 Participants were joined the session. The guest for this webinar was the CEO of Edventure park Mr. Meraj Faheem.

Through this webinar student got to know more about entrepreneurship and how could they startup while being students. The session was very interactive with the students asking questions and clarifying all their doubts and misconceptions. The faculty also attended the session and this also added up in making the session a great success.

STUDENT FEEDBACK

How satisfied were you with the event?	How relevant and helpful do you think it was for you?	What were your key take aways from this event?	How satisfied were you with the session content?	Any overall feedback for the event?	Are you going to apply for the cohort?	Name (optional)
5	5	Start up incubator	5		Maybe	
5	5	With our ideas we can do anything	5		Maybe	
4	4	Get out of your comfort zone	5		Yes	Ahmed Zeeshan Shareef
4	4	.	4	Good	Yes	BHARATH
1	1	Nothing	1	Not up to the mark.	No	Mohammed Mudassir
4	5	Understanding importance of entrepreneurship & free availability of guidance.	4	It was great.	Yes	Srikanth Rangdal
1	1	Worst	1	Waste	No	Aditya
5	4	It was a helpful session for applying or inventing our ideas	5		Maybe	
5	5	That we can come up with our own idea's	5	It was good	Maybe	Ashraf Ali
5	5	i could do a startup of my business without having to take a loan from a bank	5		Maybe	Ahad
5	4	Dont know about the key but may be after some months i will join you all	5	Excellent session	Maybe	Syed mujtaba ahmed shah
4	4	further	4	good	Maybe	N shiva prasad
5	5	In to Deep thinking	5	It was amazing	Yes	
5	5	Motivation to work on own idea.	5	Excellent .	Yes	Rida Fatima.
5	5	What is Entrepreneurship and How to begin.	5	Good	Maybe	
4	4	About edventure park,start-up.	4		Maybe	
5	5	,k	5		Yes	
5	4	Never question a unique idea	3	Good initiative	No	Zoha khan
5	5	Getting motivated	5	Knowledgeable	Yes	
1	5	Topics	5	S	Maybe	Angi keerthana

KS Rayhan
Coordinator

5	1	A bit of confusion.Speaker went too much in detail Which resulted in lack of interest of students.	2	This should have been organised in a much better way just by presentation or ppr or screen share so as to ensure students Interest.Even interaction was not even 5% of today's meeting.I was expecting it to be an interactive session so as to understand that what the speaker is telling is understandable. Perhaps Ok .One more point over here..pls change the source of meeting. I mean Google meet has always not that much good when compare to zoom.Video n voice clarity was a lil bit buffering which resulted in lack of interest of students.To ensure that every participant pays interest we need to bring more enthusiasm.Hope my feedback won't be neglected for coming session	Maybe	
5	5	To think of an idea	5	Good as always	Yes	
5	5	To work on your ideas	5		Maybe	Rapolu Niharika

Dear Mr. Vasu Chittam,

In reference to the talks that I had with you on 17th May 2021, I take this privilege to invite you to be a Resource Person for the Webinar and deliver an expert lecture on "Career Opportunities for Mechanical Engineers in the field of Fire Fighting Systems" organised by the Department of Mechanical Engineering, Methodist College of Engineering, Hyderabad, on 19th May 2021 at 7.30 P.M.

Formal invitation letter is attached for your reference. Kindly acknowledge the receipt of the invitation and send your acceptance per return email.

Regards,
Venkataratnam Akumathy
M.Tech (IIT KGP), M.B.A
Assistant Professor
Dept. of Mechanical Engineering
Methodist College of Engineering, Hyderabad.

Dear Mr. Venkataratnam Akumathy,

Thanks for the invitation.

You may treat this as my acceptance to be a resource person for the webinar.

Dear Sir,

On behalf of the Mechanical Department of Methodist College of Engineering and Technology, I thank you so much for delivering the expert lecture on the opportunities in the field of Fire Fighting systems. I believe that this would definitely help our students in their career planning. We appreciate your valuable time given for us. Thank you once again.

Regards,
Venkatarathnam Akumathy

Dear Mr. Venkat,

It is very pleasant session, I gained some knowledge by interacting with students.

Please find attached presentation slides.

Shri. Vasu Chittam

Discipline Lead

M/s. L&T Technology Services, Mumbai.

Sub: Invitation to be the "Resource person" for a webinar on "Career Opportunities for Mechanical Engineers in the field of Fire Fighting Systems" - Reg.

Dear Sir,

We are pleased to introduce ourselves that Methodist College of Engineering and Technology is established in the year 2008, situated in the heart of the Hyderabad city to promote engineering education to both urban and rural students. The college is approved by AICTE, New Delhi and affiliated to Osmania University and also accredited with NAAC A+, and NBA. The department of Mechanical Engineering is offering both undergraduate course B.E. with an intake of 120 and post graduate course M.E. (CAD / CAM) with an intake of 18. The department believes in "Learning by doing" and gives utmost importance to practical exposure to the students in understanding the concepts and principles of engineering. However we believe that this can be achieved only with mutual collaboration and cooperation between the institute and industry.

In this regard, I take privilege in inviting you to be the Resource person and deliver an expert lecture on "Career Opportunities for Mechanical Engineers in the field of Fire Fighting Systems" on 19th May 2021 at 7.30 P.M.

Your acceptance will be a great honor to all the participants as well as for the organizers.

Looking forward for your positive response.

Regards,

Dr. A.Rajasekhar
Head – Mech Engg.

Proposal

To

Date: 15th May 2021

The Principal

Methodist College of Engg. & Technology
Abids, Hyderabad

Through: HoD – Mech. Engg.

Sub: Proposal for organizing online webinar on one day seminar on "Career Opportunities for Mechanical Engineers in the field of Fire Fighting Systems" – reg.

Sir,

Mechanical Department is planning to organize one day seminar on "Career Opportunities for Mechanical Engineers in the field of Fire Fighting Systems" on 19th May 2021. Mr. Vasu Chittem, Discipline lead, L&T Technology Services, Mumbai would be the resource person. Insights from such an experienced person would help our students to enhance their knowledge and to plan their career.

I request your approval for organizing the above program. Thanking you.

Regards,

(Venkataratnam Akumarthy)
Coordinator

Forwarded to the
Principal for approval.

Activity Report(Fire Fight systems)

An online webinar on Career opportunities for mechanical engineers in the field of Mechanical Engineers in the field of Fire fighting systems was organized by Methodist college of engineering and technology on 19-05-2021. The platform for webinar was Microsoft teams 970 Participants joined the session. The guest for this webinar was the Mr.Vasu Chittem,LT Technology Discipline lead.

Through this webinar students got to know more about opportunities and how they could get jobs in this core field. The session was very interactive with the students asking questions and clarifying all their doubts and misconceptions. The faculty also attended the session and this also added up in making the session a great success.

A webinar on

T-Tribe Programs - Opportunities for Students, Faculty & Early Stage Entrepreneurs

Date: 21-05-2021

Venue: Zoom.

Activity Report

Objectives:

1. To generate awareness about Entrepreneurship opportunities.
2. To encourage students to take up entrepreneurship as a viable career option.

An online webinar on student "T-Tribe Programs - Opportunities for Students, Faculty & Early Stage Entrepreneurs" was organized by Methodist college of engineering and technology on 21-05-2021. Zoom was used as the platform for the webinar. A total of one hundred and eighty nine (189) participants attended the session. The guest for this webinar was Mr. Ganesh Rayala, Director - Academic Programs T-Hub.

Through this webinar students were given an orientation on T-Hub, T-Tribe and their activities & services. They were motivated to take up Entrepreneurship as a Career. The services available to the Concepts like Design Thinking, Idea Generation & Innovation, Business Model Canvas, Business Communications were also touched upon. The session was very interactive with the students asking questions and clarifying all their doubts and misconceptions. The faculty also attended the session and this also added up in making the session a great success.

Outcomes:

1. Students got many of their misconceptions cleared pertaining to entrepreneurship.
2. Students were introduced to the procedure for participating in the T-Hub program.

Sub: Invitation to be the "Resource person" for a one day seminar on "Innovations & Entrepreneurial Opportunities in Automobile Sector" - Reg.

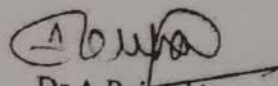

We are pleased to introduce ourselves that Methodist College of Engineering and Technology is established in the year 2008, situated in the heart of the Hyderabad city to promote engineering education to both urban and rural students. The college is approved by AICTE, New Delhi and affiliated to Osmania University and also accredited with NAAC A+. The department of Mechanical Engineering is offering both undergraduate course B.E. with an intake of 120 and post graduate course M.E. (CAD / CAM) with an intake of 18. The department believes in "Learning by doing" and gives utmost importance to practical exposure to the students in understanding the concepts and principles of engineering. However we believe that this can be achieved only with mutual collaboration and cooperation between the institute and industry.

In this regard, I take privilege in inviting you to be the Resource person and deliver an expert lecture in the field of "Innovations & Entrepreneurial Opportunities in Automobile Sector" on 20th Feb 2021 at 11.00 A.M.

Your acceptance will be a great honor to all the participants as well as for the organizers.

Looking forward for your positive response.

Regards,

Dr. A. Rajasekhara

Dear Mr. David Eshkol,

This is in reference to the talks that I had with you last week regarding the innovative and research potential of our students at Methodist Engineering College, Hyderabad.

In this regard, we would like to thank you for accepting our invitation to be the Resource person and deliver an expert lecture in the field of "Innovations & Entrepreneurial Opportunities in Automobile Sector" on 20th Feb 2021 at 11.00 A.M. Formal invitation letter is attached for your reference. Kindly acknowledge the same.

Looking forward to see you.

Regards,

Venkataratnam Akumarthi

Through: HoD – Mech. Engg.

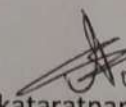

Sub: Proposal for organizing one day seminar on "Innovation and Entrepreneurial Opportunities in the Automobile sector" – reg.

Sir,

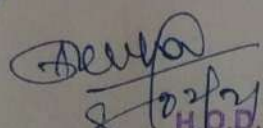

Mechanical Department is planning to organize one day seminar on "Innovation and Entrepreneurial Opportunities in the Automobile sector" on 20 Feb 2022. Mr. David Eskhol, Automobile Mileage Expert and Chief Technologist at 5M Mileage Boost, Hyderabad would be the resource person. Insights from such an experienced person would help our students to enhance their knowledge and further to start their own entrepreneurial career.

I request your approval for organizing the above program. Thanking you.

Regards,

DEPARTMENT OF MECHANICAL ENGINEERING

A report on

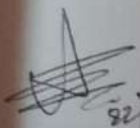

One Day Seminar on Innovation and Entrepreneurial Opportunities in the Automobile sector

Date : 20th Feb 2021, 11.00 am at CAD Lab, Dept of Mech. Engineering
Resource Person : Mr. David Eshkol

A one day seminar on Innovation and Entrepreneurial opportunities in the Automobile sector was organized by Methodist College of engineering and technology on 20-02-2021. Around 121 Participants have joined the session in the department. The guest for the seminar was Mr. David Eshkol, Inventor and Chief Technologist at 5M Mileage Boost, Hyderabad.

Mr. David explained about the innovations that can be applicable to all vehicle IC engines, and about the technology based on plasma and ultrasonic waves that is capable of improving fuel efficiency by reducing reciprocating friction inside the engine by laparoscopically converting the accumulated hard carbons into diamond-like carbon (DLC) on the cylinder walls & engine head inside the engine.

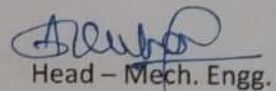

Mr. David also explained the Entrepreneurial opportunities for mechanical engineers and the niche areas in automobile sector. Through this seminar students got to know about opportunities and trends in Automobile sector. The session was very interactive with the students asking questions and clarifying all their doubts and misconceptions. The faculty also attended the session and this also added up in making the session a great success.

Sub: Permission to Organize Webinar on 06th June 2020 using Zoom meeting req.reg.,

Dear Sir,

The Civil Engineering Department wishes to organize a One-Day Webinar on **Climate Change and Food Systems** "on 06th June, 2020. This webinar is useful as it is on impact of climate change on agriculture and impact of agriculture on climate. We need your permission to Organize webinar. The brochure is enclosed with this letter.

Speaker: Dr. Ramanjaneyulu G.V

Thanking You,

Coordinator

HOD CE

Now and Future:

CLIMATE CHANGE AND FOOD SYSTEMS

06-JUNE-2020, AT 11:00 AM (IST)

Keynote Speaker:

Dr. G.V.Ramanjaneyulu,

Executive Director,
Centre for Sustainable Agriculture(NGO)

SCAN THIS QR CODE FOR
REGISTRATION

Dr. G. V. Ramanjaneyulu,
DOB 12th September, 1967

Ph.D. in Agriculture from Indian Agricultural Research Institute
BSc (Ag) and MSc (Ag) from Andhra Pradesh Agricultural
University

Current work:

Executive Director, Centre for Sustainable Agriculture
Expert Director, Sahaja Aharam Producer Company

Earlier selections and work experience

1995: Indian Revenue Service (IRS)

1996: Agricultural Research Service (ARS) till 2004

Contacts: 09000699702, ramoo@csa-india.org, <http://www.ramoo.in>

Focus of work

- Working on public policy issues impacting on food systems and farmers livelihoods and a framework to ensure income security for farmers
- Working with farmers in AP, Telangana, Maharashtra in establishing ecologically and economically sustainable agriculture models
- Building a Community marketing System 'Sahaja Aharam' linking farmer cooperatives directly to consumers.
- Working on building rural entrepreneurship
- Working on Open Source Seed systems
- Working as a resource organisation supporting the programs of state and central governments. Currently working Government of Andhra Pradesh in promoting natural farming, with Society for Elimination of Poverty, Telangana, with Maharashtra State Livelihoods Mission in building the capacities of the staff and organisation involved in the program.
- Working with NABARD in supporting establishment and strengthening of over 120 farmer producer organisations in Telangana and Andhra Pradesh.
- Initiated 'Kisan Mitra' to improve the last mile delivery of all support services and their governance. Currently working in three districts of Telangana and one district in Andhra Pradesh
- Started 'Grameen Academy' which runs regular courses on Agroecological approaches, farmer producer organisations and Rural business enterprises, public policy for agriculture

Awards

- 3rd Badshah Khan Memorial Award by ITM University, Gwalior -2019
- Rytunestham Lifetime Achievement Award-2019
- Won best rural innovation award in Maharashtra Rural Innovation Award in 2014 for 'Community Managed Sustainable Agriculture'
- Won best rural innovation award in Bihar Rural Innovation Award in 2014 for 'Non Pesticidal Management'
- Won World Bank Development Market Place Award in 2005

Others

- Author of several books and articles on sustainable agriculture and public policy
- CSA work featured in 8th Episode of Satyamev Jayate 'Toxic food'
<https://www.youtube.com/watch?v=Fbc5K9EpTQw>
- 3 times TEDx Speaker
 - Poison on Plate <https://www.youtube.com/watch?v=64RLBgD-Cck> over a million views
 - How you can help ensure a secure income for farmers? <https://www.youtube.com/watch?v=oyBYf60BzIE>,
 - Caring for those who feed the nation
<https://www.youtube.com/watch?v=4tIOnw38RCA>
- Produced a feature film 'Mitti-back to roots' on Agrarian Crisis and way forward based on real life experiences across the country <http://www.mitti-thefilm.org>

to Methodist, MCET, director, lakshminipathrao, venkateshwar, bcc: me

Dear Participant,

Greetings from Methodist College of Engineering and Technology, Abids, Hyderabad!
It gives us immense pleasure to extend a cordial invitation to you to be a part of the webinar being organised by our institute entitled "Climate Change and Food Systems". Scheduled on 06th June 2020, 11.00 AM.

The Keynote Speaker:

- Dr. G.V.Ramaniyanayulu, Executive Director, Centre for Sustainable Agriculture, Hyderabad.
- About the Speaker : <https://ramco.in/>, <https://youtube.com/Fbc5K9EPIDQw>, <https://youtube.com/MFpnINics80>

The Moderator for the webinar will be Mr. Srikanth Renikunta, Assistant Professor, CED, MCET

A.Y 2020-2021

A National Webinar on "Climate Change and Food Systems"

By Dr. G. V. Ramanjaneyulu, Executive Director, Centre for Sustainable Agriculture

06-06-2020

Summary report

As a scientist who has transformed the landscape of Indian agriculture, Dr GV Ramanjaneyulu and his organisation Centre for Sustainable Agriculture (CSA) has worked with the Andhra Pradesh government in designing and implementing community managed sustainable agriculture from 2005-08, which spread to over 1500 villages covering 35 lakh hectares of land in 18 districts. He has a PhD in Agricultural Extension from the Indian Agricultural Research Institution, New Delhi. After working with Indian Council of Agriculture Research for eight years, Dr Ramanjaneyulu started CSA which currently works in eight states across India. Is our food safe? A red alert question that Dr.Ramanjaneyulu, puts out to all of us. Without action, climate change will impact nutrition through decreased food quantity and access, decreased dietary diversity, and decreased food nutritional content. In the webinar speaker emphasised on Economic sustainability, Environment sustainability and social sustainability. The impact of environmental changes on the earth because of increased green gases in the atmosphere was also explained. The major sources which contribute to the greenhouse gases was explained. He spoke on various sources of methane gas such as release of methane from standing water of dam, Ecological footprints from inundated paddy, livestock, land use shift, carbon emission from paddy field etc., He also spoke on optimum use of various energy resources. He insisted on increased protein consumption and reduction in the cereal and sugar consumption. It was an insightful presentation. He insisted on the use of technology efficiently for the betterment of human growth.

Methodist College of Engineering and Technology
Abids, Hyderabad
DEPARTMENT OF CIVIL ENGINEERING
A.Y 2020-2021

A National webinar on “Fundamentals of Geographic Information Systems”

About the speaker: Mr. Shaik Mohammad Imran is an assistant professor in Civil Engineering Department of Methodist College of Engineering and Technology (MCET). He obtained his B.E degree in Civil Engineering from Osmania University, Hyderabad in the year 2014 and M.Tech in Geoinformatics & its applications from Maulana Azad National Institute of Technology, Bhopal in the year 2017. His research areas include Differential Global Positioning System, applications of Remote Sensing & GIS using Machine learning.

About the webinar: On 6th June 2020, the Civil Engineering department of MCET organised a national webinar on the topic “Fundamentals of Geographic Information System”. The main agenda of this webinar is to create awareness and impart knowledge of Geographic Information System (GIS) among the civil engineering fraternity. In this webinar, basic definition and meaning of GIS are illustrated practically along with its components. Also, spatial data representation and data analysis are explained in detail. List of open-source GIS software, available free data resources and applications of GIS are also discussed. About 440 faculty and Engineers attended this programme and made it huge successful with their positive feedback.

Webinar on
ICT TOOLS FOR TEACHING

13th June, 2020 @ 9:30 AM

A selected presentation from the Two Week FDP on

“MANAGING ONLINE CLASSES AND CO-CREATING MOOCS”: May 18 – June 3, 2020

Conducted by Teaching Learning Centre, Ramanujan College, University of Delhi

Sponsored by MHRD – Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching

OUTLINE OF THE WEBINAR

9:30 AM: Introductory Welcome note by the Principal

9:35 AM: Director's address to the faculty

9:45 AM: Seminar begins

S.No.	Topic	Speaker
SESSION 1 (9:45 to 10:20 AM)		
1.	Introduction	Dr. Akshay Naidu
	- Overview of the FDP	
	- A note about online teaching	
2.	Google Classroom	Dr. Akshay Naidu
	- Creating Google Classroom	
	- Understanding the Interface	
	- Adding Teachers and Students	
	- Structuring Course Content	
	- Adding Course Material	
	- Adding and Evaluating Assignments	
	- Creating and Evaluating Quizzes	
SESSION 2 (10:30 to 11:15 AM)		
3	Google Sites	Mr. Shaik Mohd. Imran
	- Creating and Working with your own website	
4	Creating E-content: Videos	Mr. Shaik Mohd. Imran
	- Open Broadcaster Software overview	
5	Creating E-content: Concept Visualization	Mr. Shaik Mohd. Imran
	- Mind maps using Mindmaster software	
6	Creating E-content: Animated Videos	Mr. Shaik Mohd. Imran
	- Animated Videos with Renderforest

A National webinar on “ICT TOOLS FOR TEACHING”

REPORT

Department of Civil Engineering organized one day webinar on “ICT Tools For Teaching ” on 13-June-2020. Inaugural of seminar has been done by Dr. M. Lakshminipathi Rao, Director, MCET, Sri K. Krishna Rao, Correspondent, MCET, Dr.Prabhu Benkop , Principal, MCET, Dr. S. Venkateswar, Dean Academics, MCET, Dr. Akshay Naidu, HOD & Professor, Department of CE.An addressing to the gathering has been given by Dr. Akshay Naidu, HOD & Professor, Department of CE, about the ICT tools.

The main agenda of this webinar is to create awareness on ICT tools for Teaching. In session-1 of this webinar, speaker Dr. Akshay S.K Naidu delivered his lecture on online teaching and in detail Google Classroom utilities. In session-2, speaker Mr.Sk.Md.Imran explained tools like, how to create own website using Google Sites, Open Broadcaster Software to create videos, Mind maps using Mind master software for concept visualisation and creating Animated Videos with Render forest software.

Dear Madam,

Hope this email finds you in good health during this pandemic period. I kindly request you to permit me to arrange a two day online workshop for Second and Third year students on DataScience and its Applications on 9th and 10th of June 2021(tentatively) in collaboration with DataHill Solutions Hyderabad. DataHill solutions has trained 60000+ students in various fields of computer sciences and its applications. I believe that our students would get well benefitted with these advanced topics that would in turn help them in taking up their internships and projects.

Budget Proposed

Speaker Remuneration : Rs.10,000

Brochure Design : Rs.1000

PFA

Best Regards

Dr. M. Sharada, B.E, M-Tech, PhD
Professor, Department of CSE,
Methodist College of Engineering and Technology,

Hyderabad.

Dear Sir,

Sub:- Request to grant permission to conduct workshop on Data Science and its Applications reg:

It is proposed by CSE department to conduct a two-day online workshop for second and third year students on **Data Science and its Applications** on 9th and 10th of June 2021 in collaboration with Datahill Solutions, Hyderabad. I request you to grant us permission to conduct the event.

Budget Proposed for the workshop

Speaker Remuneration: Rs. 10,000.

Brochure Design: Rs. 1000.

Total Budget estimated Rs. 11000.

Best Regards

Principal.

Forwarded to

Principal Sir for Consideration

Thanking You

**DEPARTMENT OF COMPUTER
SCIENCE AND ENGINEERING**

Invites you to participate in a Three Day Hands On
Workshop on **Data Science and its Applications** on 9th,
10th & 11th June 2021

Convenor	Principal
Dr. P. Lavanya	Dr. Prabhu G Benakop
Director	Correspondent
Dr. Lakshmi pathi Rao	Sri K Krishna Rao
Co-Convenor	Coordinator
Dr. M. Sharada Varalakshmi	Mr. T. Praveen Kumar Mrs. B. Sowjanya
Student Coordinator	
Batul Mohsina - 6303330784 Ch. Rishi Kumar - 8309632210	

TOPICS

Day 1 FN Session:

- ✓ Data Science Introduction
- ✓ Download & Install the Python in Windows & Linux
- ✓ How to set Python Environment in the System?
- ✓ Anaconda - Data Science Distributor Downloading and installing Anaconda, Jupyter Notebook & Spyder
- ✓ Python IDE - Jupyter Notebook Environment Python IDE - Spyder Environment

Day 1 AN Session:

Data Analysis: Data Analysis with Python Numpy Data Analysis with Python Pandas Data Visualization with Python Matplotlib

Day 2 FN Session:

- ✓ Data Preprocessing in Machine Learning
- ✓ Why do we need Data Preprocessing?
- ✓ Getting the Dataset
- ✓ Importing Libraries
- ✓ Importing Datasets
- ✓ Finding Missing Data
- ✓ Encoding Categorical Data
- ✓ LabelEncoder
- ✓ OneHotEncoder Splitting Dataset into Training and Test Set
- ✓ Feature Scaling

Day 2 AN Session:

- ✓ K-Nearest Neighbor(KNN)
- ✓ Algorithm in Machine Learning Applications and Implementation

Day 3 FN Session:

- ✓ Naive Bayes Classifier Algorithm in Machine Learning
- ✓ Applications and Implementation

SPEAKER

Mr. G. SRINIVAS REDDY
Trainer, DATA Hill Solutions, Hyderabad.

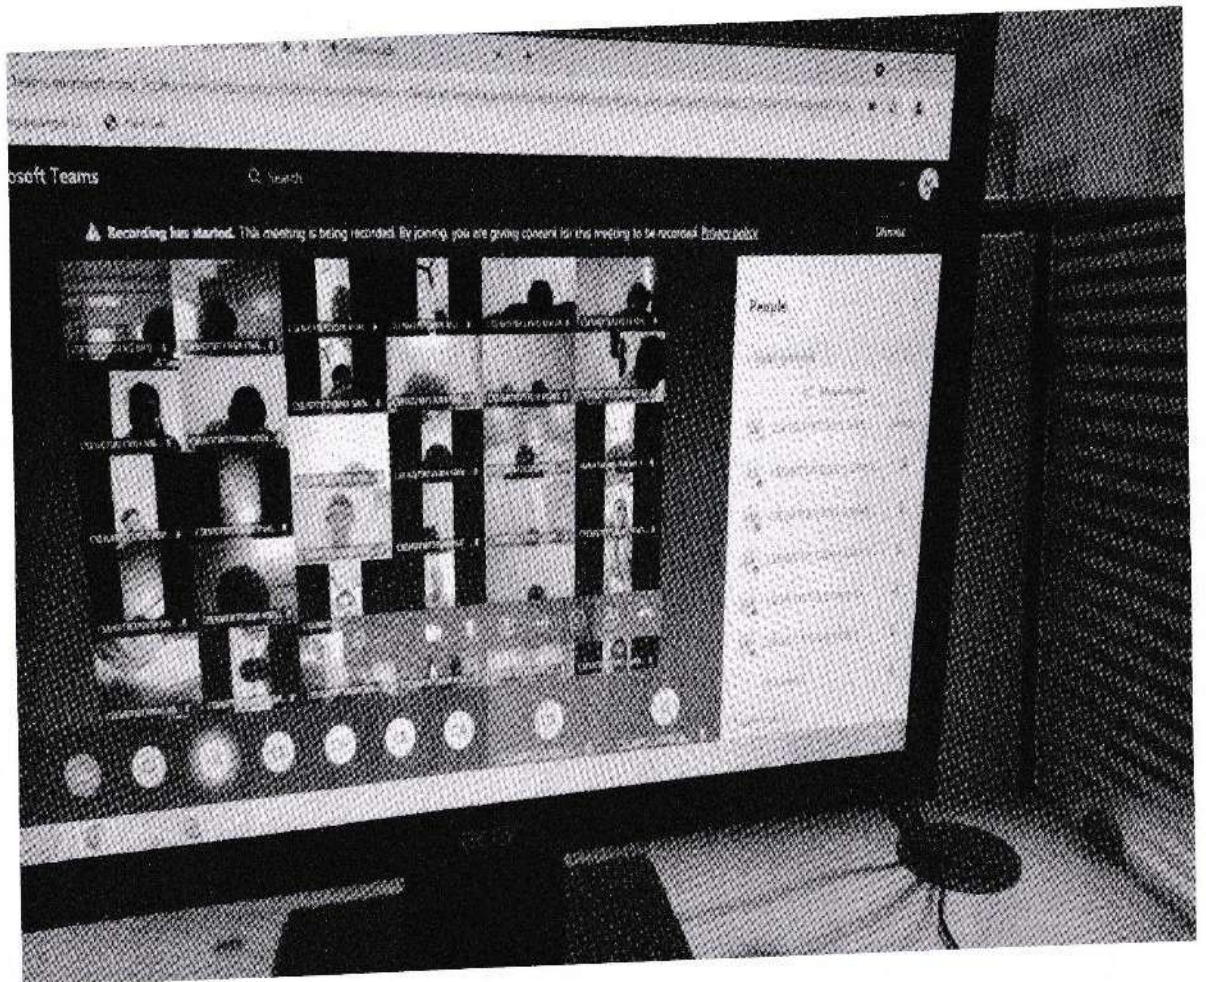

Trained 60000+ students on Python, R, Data Science, Artificial Intelligence, Data Analytics, Machine Learning, Deep Learning, Neural Networks, Natural Language Processing, SQL, WEKA Data Mining Tool.

PLATFORM

Register on or before 8th June 2021
E- Certificate will be provided for all

ABOUT THE EVENT:

As a part of Department Event A Two-Day Digital Workshop on Data Science and its Applications has been conducted. Mr. G. Srinivas Reddy has been invited as resource persons for the all the two days. The target audience for the event are II yr. and III yr.2021-22 Students. At the end of each session Feedback was collected from the students. As per the feedback analysis students were satisfied with the content delivery by the resource persons as they gave detailed explanation of various Data analysis with python and Machine learning algorithms concepts.

Name Of The Event: Data Science and its Applications.

Resource Person: Mr. G. SRINIVAS REDDY

Target Audience: BE II yr.& IIIyr.AY:2020-21

No Of Students Attended: 162

Date Of The Event: 9-6-2021&10-6-2021

To,
The Principal,
MCET, Abids.
Hyderabad.

Date: 31/7/2021

Respected Sir,

Sub: Permission for Organizing Workshop-Request –Regarding.

We the department of CSE wants to bring to your kind notice that ~~on behalf of~~
~~CSE department~~ would like to organize a 3-day Workshop for students on
"Coding Practice" from Aug 12th to Aug 14th 2021 under CSI Student Chapter.
by CSI Coordinator Dr.E. Shailaja, Assoc. Professor. In this regard three external
resource persons from academia are invited for delivering the lectures. We
request you to kindly give permission for the same. Schedule is enclosed for
you reference.

Thanking You,

Dr P. Lavanya
Professor & HOD-CSE

Three Days Workshop on Coding Practice

Day 1:

FN (10.00 to 1.00pm)	AN (2.00pm to 4:00 pm)
✓ Algorithmic Problem Solving ✓ Framework for Algorithm Analysis ✓ Divide and Conquer Technique	Practice Problems in Hacker Rank/ hacker Earth / Code Chef platform

Day 2:

FN (10.00 to 1.00pm)	AN (2.00pm to 4:00 pm)
✓ Greedy Technique ✓ Dynamic Programming	Practice Problems in Hacker Rank/ hacker Earth / Code Chef platform

Day 3:

FN (10.00 to 1.00pm)	AN (2.00pm to 4:00 pm)
✓ Backtracking Technique ✓ Branch and Bound	Practice Problems in Hacker Rank/ hacker Earth / Code Chef platform

Resource Person:

- 1) Dr. L Venkateshwarlu , Professor, Geethanjali College of Engineering and Technology.
- 2) Dr. Kambalapally Vinuthna Reddy, Associate Professor, KLH University.
- 3) Dr. Pranayanath Reddy Anantula, Associate Professor, Malla Reddy University.

About the event:

As a part of Department event A Three-Day Digital Workshop on CODING PRACTICES has been conducted. Dr L Venkateshwarulu , Dr K Vinuthna Reddy and Dr Panayanath Reddy A has been invited as resource persons for the all the three days. The target audience for the event are VI SEM AY:2020-21 Students . .At the end of each session Feedback was collected from the students. As per the feedback analysis students were satisfied with the content delivery by the resource persons as they gave detailed explanation of various design and analysis of algorithms concepts.

Name Of The Event: Technical Interviews

Resource Person: Dr L Venkateshwarulu ,
Dr K Vinuthna Reddy
Dr Panayanath Reddy

Target Audience: BE VI SEM AY:2020-21

The screenshot shows a Zoom meeting in progress. The main window displays a presentation slide titled "THREE DAYS WORK SHOP ON CODING SKILLS". The slide content includes:

- THREE DAYS WORK SHOP ON CODING SKILLS**
- DAY - I SESSION III/III**
- Dr K Vinuthna Reddy**
Associate Professor,
Department of CSE,
K. J. Somaiya Institute of Technology

Below the presentation, there is a row of participant thumbnails. From left to right, they are:

- A circular icon with the letter 'M' and the name **Shailaja E** below it.
- A circular icon with a book symbol and the name **SUMAN NAY...** below it.
- A video thumbnail of a woman with the name **vinuthna** below it.
- A circular icon with the letter 'M' and no name below it.

At the top left of the participant row, the name **vinuthna** is displayed with three dots to its right.

Workshop On Coding Practice

27:41

Dynamic Programming

Dynamic Programming is a general algorithm design technique for solving problems defined by or formulated as recurrences with overlapping sub instances.

Main idea:

- set up a recurrence relating a solution to a larger instance to solutions of some smaller instances
- solve smaller instances once
- record solutions in a table
- extract solution to the initial instance from that table

Suggestions

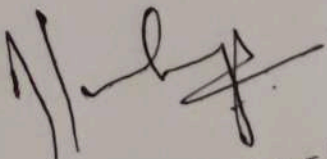

Good

Expecting them to teach more hands-on sessions like these. Want them to teach more number of different problems which we'll encounter in usual coding exams. Different approaches to solve single problem

if time is given and then asked for doubts it would have been better rather than sir explaining it while we're doing. As it's tough to concentrate on both the things.

The sessions may include few points that can be beginner friendly to understand the concept explained further.

Subject: Interaction session with 3rd and 4th year students
To: <erukullashailaja@gmail.com>

Hello, ma'am!

As requested by you, I would like to participate in the interaction session to guide the students on the right path towards getting a job as a Software Developer.

I would like to touch on the following points during the session:

0. Tell them about myself and a short introduction about my journey
1. Understand what is their current perception of how to get hired.
2. Understand their skill level and interest in software development
3. Understand their achievements and training that they have taken
4. Tell them a step-by-step breakdown of what is important and how to get companies to hire them
5. Show them how to participate in coding challenges and introduce them to the world of competitive programming
6. Help them solve a few problems.
7. Tell them about Smart Interviews and how we're helping a lot of students achieve their goals

Few additional points as part of that:

1. I would require about 90 minutes on the whole for my points.
2. I can host the session over Zoom if required.
3. Preferred timings will be 6 PM-7:30 PM on Friday, 21st May 2021

Please feel free to suggest any alterations as required by you.

Thank you.

Surya Abhishek,
+918008565290

I am a 2018 graduate of MCET

I started my first company BURN in the first year of engineering, providing branding and event management services. (2014-2016) My company also organized the prestigious Hyderabad Model United Nations conference with 300+ delegates from all over the country.

When I was in my third year, I took workshops on Graphic design and web development using PHP in MCET.

In my final year, I competed in regionals in ACM-ICPC (International Collegiate Programming Contest) which is akin to Olympics for competitive programming.

I received job offers from several companies including DBS Bank and Amazon for Software Development roles. DBS Bank offer was 6.8 LPA and Amazon extended a CTC of 18.5LPA + 10L in stock.

I am now the CTO of Smart Interviews, an ed-tech company based out of Hyderabad. I trained 2000+ students on problem-solving for interviews to help them get placements in top tech companies. Several of my students are now working in companies like Adobe, Amazon, Flipkart, Microsoft, etc.

A Workshop on "Coding Practices"- registrations dates: 16,17,18 AUGUST 2021

Subject: Feedback of the session

To: <erukullashailaja@gmail.com>

The students were responding very well. The overall cooperation from their side is good. There were 1 or 2 students who tried to make some nuisance but they were quickly removed from the session saving everyone's time.

I think the students lack exposure and guidance on interview preparation. The audience consisted primarily of 2nd and 3rd years. As per their responses, I have only understood that they have never looked at programming as a way to solve problems. It was a bit difficult to get everyone on the same page, but about 5-10 students were following everything I was saying.

Thank you for arranging this event as it will greatly benefit the college if the students take action on it. I hope more such practical sessions are organized with different speakers from different domains so that the students understand their way forward towards a successful career.

Thank you,
Surya Abhishek

About the event

The event is organised for the U.G students to share knowledge about the various programming strategies, Design and analysis of algorithms ,dynamic programming etc.The hands on with real time examples helped a students lot to understand how to solve some of the problems in Leetcode like Hackerrank and Hackerearth. The session is interactive and useful for the coding problems.

Subject: Request for Webinar: India-The Rise of Electric Vehicles-reg.

Dear Sir,

We are pleased to introduce ourselves that Methodist College of Engineering and Technology is established in the year 2008, situated in the heart of the Hyderabad city to promote engineering education to both urban and rural students. The college is approved by AICTE, New Delhi and affiliated to Osmania University. The department of electrical engineering is offering undergraduate course B.E. with an intake of 60. The department believes in "learning by doing" and gives utmost importance to practical exposure to the students in understanding the concepts and principles of engineering. This can be achieved only with mutual collaboration and cooperation between the institute and industry.

In tune with this the Department of Electrical Engineering is organizing, A Five-Day Webinar on India-The Rise of Electric Vehicles schedule on 25th-29th, May 2021. In this regard we request you to address the participants with your knowledge and skill at esteemed organization. Your session will start on 25, May which is on Tuesday from 10am to 11:30am immediately after the inaugural function.

Hope you will accept our invitation for the benefit of ongoing engineering students.

For further clarification in program schedule, Mr. J. Ramesh Babu, Assistant Professor can be contacted.

Cell: 9908192932 & e-mail: babu.ramesh444@gmail.com

A word of confirmation is appreciated in this regard.

71%

Differences between Battery Electric Vs. & Fuel Cell Vehicles

BEV vs. PHEV, REEV, MHEV & FCEV

BATTERY ELECTRIC VEHICLE (BEV)
A vehicle that runs solely on electricity stored in a battery pack. It has no internal combustion engine or transmission.

FUEL CELL VEHICLE (FCV)
A vehicle that uses a fuel cell to generate electricity. It has a hydrogen tank and a fuel cell stack. It produces water as a byproduct.

COMPARISON OF VEHICLES
BEV: High efficiency, low maintenance, zero emissions.
FCV: High efficiency, low maintenance, zero emissions, but high cost and limited infrastructure.

About the event:

As a part of Department event A Webinar: India-The Rise of Electric Vehicles has been conducted. The target audience for the event are VI SEM AY: 2020-21 Students. At the end of each session Feedback was collected from the students. As per the feedback analysis students were satisfied with the content delivery by the resource persons as they gave detailed explanation of various design and analysis of algorithms concepts.

Dear Prof. Rani

Please find attached the following files required for the Program scheduled on **12th July 2021, at 1.30 pm** for your FY MBA students. **(for a minimum of 50 participants)**

1) Letter - The Letter needs to be sent from an **Official Email ID** of the college with " College Letter Head " attached on it & signed with Name & Designation of the Authorized person, after completion of the program on the same day itself (Request you to please not make any changes in the Standard Format)

2) Profile - Profile of the Speaker for your reference

Please note, Zoom Registration Link / Meeting ID-Password will be shared with you on the same day a few hours before the session on your WhatsApp number.

Kindly confirm receipt of the files at your kind convenience.

Thanks & Regards,

Thanks & Regards

On Tue, Jul 6, 2021 at 12:57 PM Nikita C <nikita@lotusknowlwealth.com> wrote:

Dear Prof. Rani R.

Greetings from LKW! It was nice talking to you a while back.

Please find below the details of the proposed **Investor Education Program** (conducted at **NO COST** to the College) which we wish to schedule for your students in this month.

As part of the **BOMBAY STOCK EXCHANGE (BSE)**'s Initiative to spread **CAPITAL MARKET AWARENESS** has mandated our company, **LOTUS KNOWLWEALTH (LKW)** as its **KNOWLEDGE PARTNER** to conduct an Webinars of a duration of 60-75 minutes & Q&A of **Graduate and Post-Graduate Colleges (all Disciplines)**.

The Program will be conducted at Zoom platform for a **minimum of 50** participants per program.

As part of its mandate, LKW will conduct these Programs at **NO COST** to the College and it will benefit the students in terms of enhanced Capital Market Knowledge and Awareness as well as the ability to make more informed Investment Decisions.

The topics covered in this Program will include :

- 1) Capital Market Offerings
- 2) Do's & Don'ts of Investing
- 3) Rights & Duties of Investors
- 4) Asset Class Offerings

5) Mutual Funds & Financial Planning

6) Power of Compounding

A record of the Colleges that facilitate this Program will need to be provided to the BSE. We will thus need the College to certify each Program that is conducted via an email in a prescribed format from an ' Official ' email ID of the college on completion of the program.

Please note that this is an Investor Awareness Initiative and its use for any form of promotion / publicity by either LKW or the Educational Institution is expressly prohibited.

As the Program is a funded initiative there will be **NO COST to the college**. These programs have been simplified enough for graduates as well as non-finance students to understand and benefit from.

About Lotus Knowlwealth (LKW) :

LKW is a Knowledge driven Financial Services & Training Company. The company has been promoted by **Ashok Kumar (CA, LLB)** who is a renowned Capital Market Expert with experience spanning over close to two and a half decades. LKW's core Team comprises CAs, MBA's and Post Graduates in Finance, Law and Economics. **LKW has conducted over 2,500 Seminars and Training Programs on the Indian Capital Markets** across corporate houses, reputed B-Schools and also at the Union Finance Ministry's NIFM.

Since many Colleges have shown interest in this Program and we have certain restrictions on the total number of programs that can be conducted, we **request you to provide an early confirmation** from your end so that we can block the requested Time and Date for you.

Looking forward to your early confirmation.

Thanks & Regards

Webinar on "Capital Market Awareness"
Date:12.07.2021

Venue: Online _Zoom

Summary report

The Department of Business Management organized a seminar on Capital Market Awareness. The programme provides a comprehensive understanding about Capital Market. It is ideal for those who want to begin their careers in Capital Markets. CPCMC offers a comprehensive survey of capital markets.

BSE IPF has been spearheading financial inclusion through increased awareness and education. These span a very wide range, starting from the basics of capital market products and services, the dos and don'ts of opening and maintaining brokerage and demat accounts, to programmes focused on specific products and services, including new initiatives like the SME segment.

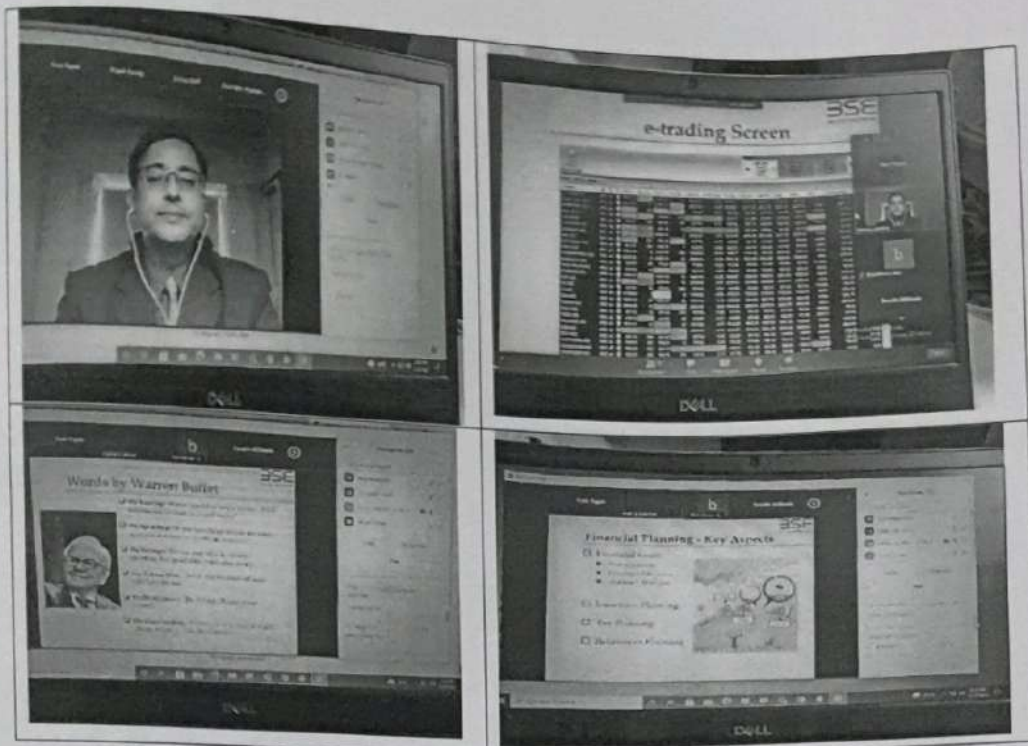

BSE IPF conducts Investor Awareness Programs on its own as well as also invites other constituents of the capital market like SEBI, SEBI registered Investor Associations, Industry Associations like CII, IMC, ASSOCHAM, FICCI, PHDIC etc., Depositories, Media and educational institutions like schools, colleges and universities to these programmes.

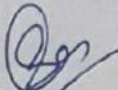

The speaker focused on these topics during the session

- 1) Capital Market Offerings
- 2) Do's & Don'ts of Investing
- 3) Rights & Duties of Investors
- 4) Asset Class Offerings
- 5) Mutual Funds & Financial Planning
- 6) Power of Compounding

Brief profile of
Prof M L Saikumar

profsaikumar@gmail.com

Prof. Saikumar took premature retirement on Dec 31, 2014 to pursue his personal agenda. Professor has only one passion, the rise of great youth. He felt something was missing in the academic world, he felt that he need to do something much more, he wanted to create an impact on the society by *inspiring* students and young faculty, *Ignite* their minds and *Involve* them in career building, cultivating to make a difference. He is a **strong believer in Citizen Social Responsibility**. In the last five years he delivered 530+ lectures, conducted 135+ FDPS and 130+ SSDPs at various colleges and universities *without taking a single rupee*. Professor's firm belief is in conducting regular refresher training modules for teachers. Professor made his mark as a forward thinking educationist with his exemplary work by incorporating contemporary methods of teaching. Trained 15,000+ faculty and addressed 1,50,000+ students in the last 5 years.

Professor is a gifted teacher, noted orator, able academic administrator and a team worker. He was a mentor to students in moulding them for better employment career. He organized a number of conferences both at national and international level. His passion is to help people reach their personal and professional potential.

He has been conferred the award of **International Man of the year for IT education** by the International Biographical Centre, Cambridge. In grateful recognition of his services, the CSI has conferred on him the **Patron** award. He served as **Chairman, Vice chairman and Secretary, CSI**. Professor has also been conferred with the award "**Fellow** of CSI". He received **Inspiring Teacher** award from Inspiring Teachers Academy.

He is a member of several professional bodies and delivered a number of talks on various topics related to Information Technology. He has been the **Visiting Professor** for several universities. Conducted several workshops for corporate sector on topics related to Software Engineering such as Testing, Project Management, Requirements Engineering, Maintenance, HR, e-commerce, Soft Skills, etc.

Professor has trained several batches of IAS and IPS officers on use of IT and also the corporate executives. He was adjudged as the **Best Trainer**.

Professor was a member on a number of recruitment boards, both in public and private sector organizations. Professor served as a member on **Technical committee** for TTD, SBH, AP Technology Services, etc. Professor was a member on DPC for NRSA, IICT and SBH.

He **designed** Information systems for District Collectorates, Municipal Corporation, Medical & Health Department, Board of Secondary Education, Board of Intermediate Education, and a number of public and private sector organizations. He was a member on the **PM's Steel Trophy** to assess the performance of integrated Steel plants. He was a member of the CSI Nihelent national level **e-Governance awards** assessment team for the last 15 years.

Professor visited **China, Dubai, Mauritius, Singapore, Malaysia and Srilanka**.

Professor last served as Dean - Academics for 3 years at the Institute of Public Enterprise. He served as the PG Program Director for 7 years. He served as Professor of Computer Science. He authored several books, published a number of papers. Professor has put in **Four decades** of experience. In the last 35 years our honourable, eminent and distinguished speaker Prof. M.L. Saikumar conducted about **300+** training programs for the corporate sector.

Webinar on "GenNext's Navigation Through the Global Pandemic In Pursuit of Self-Reliance"

Date: 14.08.2020

Venue: Online _MS-Teams

Summary report

The program was organised during the ongoing global pandemic. The covid -19 pandemic caused due the novel virus, was first identified from the outbreak in the Chinese city of Wuhan in Dec 2019. As the attempts to contain it failed, it spread across the world. It was declared as a pandemic on March 2020 by WHO. The pandemic has caused enormous loss of lives across the globe, making it one of the deadliest in history.

As a result, the situation was grim, lockdown prevailed the entire world came to a standstill position due to uncertainties. During this period for instilling confidence among the student community and to encourage them, this webinar was organised based on the given title.

The speaker justified this through his interactive session and motivating lecture.

Subject: Request for addressing online webinar on **Web Application Development** –reg.

Dear Sir,

We are pleased to introduce ourselves that Methodist College of Engineering and Technology is established in the year 2008, situated in the heart of the Hyderabad city to promote engineering education to both urban and rural students. The college is approved by AICTE, New Delhi and affiliated to Osmania University. The department of Electronics and Communication Engineering is offering both undergraduate course B.E. with an intake of 120. The department believes in "learning by doing" and gives utmost importance to practical exposure to the students in understanding the concepts and principles of engineering. This can be achieved only with mutual collaboration and cooperation between the institute and industry.

In tune with this the Department of Electronics and Communication Engineering is planning to organize webinar on **Web Application Development**.

If interested, please give possible tentative dates and time for scheduling the event organizing.

Hope you will accept our invitation for the benefit of ongoing engineering students.

For further clarification in program schedule, Mr. T Sanand Maharshi Yadav, Asst. Professor can be contacted. Cell: 7207246617 & e-mail: methodist20122016@gmail.com

WELCOME TO ONLINE WEBINAR ON PROGRESSIVE WEB APPLICATION DEVELOPMENT

Certificate will be Provided

RESOURCE PERSON: MR. SUMANTH CHINTAGUNTA

DESIGNATION: SENIOR PRINCIPAL ENGINEER, OPTUM TECHNOLOGY[CALIFORNIA]

DATE: 18TH JULY 2020

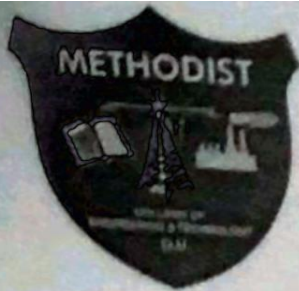

TIME: 09:00 AM – 10:30AM

PLATFORM/VENUE: MICROSOFT TEAMS

In the sudden transition period from Physical Lectures to Online Webinars caused by the Pandemic and to make students not to miss the momentum of recent trends and advances in engineering education, Department of Electronics and Communication Engineering conducted online webinar on progressive Web Application Development. This Webinar is conducted online platform Microsoft TEAMS which is used for taking the regular online classes. Department HoD, Dr. N H Shobha Reddy invited Resource person from OPTUM Technology, California USA. Mr. Sumanth Chintagunta, Senior Principal Engineer of Optum Technology addressed students, faculty of Methodist College of Engineering and Technology and other interested aspirants outside the College. All attendees are awarded with E-certificates from the Department of ECE, Methodist College of Engineering and Technology.

Department Event Coordinator and Moderator, Mr Sanand Maharshi Yadav, Collected the feedback from the participants and it is found that, Webinar is well structured and impacted to advancement in thought process on Progressive Web Application Development. The Questioning time Conducted by Resource person Mr. Sumanth Chintagunta is very productive. He addressed the PWA concepts in very native terminology and with examples results in better understanding. Few motivated students from various branches ask resource person about future scope of PWA and possibility of doing productive Major Project.

Department of Electronics and Communication Engineering hosted an online webinar on Cloud Computing to ensure that students did not miss out on the momentum of recent trends and advances in engineering education on 1st August, 2020 at 3:30 IST. This Webinar was held using the Microsoft TEAMS platform, which is used to take regular online classes. Dr. N H Shobha Reddy, Department Head, invited a resource person from Equifax, Atlanta, USA. Mr. David Gorin, SRE Manager, Equifax, USA addressed Methodist College of Engineering and Technology students, teachers, and other interested applicants. The Department of ECE, Methodist College of Engineering and Technology, issues E-certificates to all participants.

Mr Sanand Maharshi Yadav, Department Event Coordinator and Moderator, gathered input from the attendees and discovered that the webinar was well-structured and influenced improvement in the thinking process on Cloud Computing. Mr. David Gorin, the resource person, conducts a highly constructive questioning session. He explained the Cloud Computing Concepts in a way that was familiar to him, and he included examples to help people grasp them better. A few enthusiastic students from diverse areas inquire about the future scope of Cloud Computing.

Subject: Request for addressing online webinar on **Career Opportunities after B. Tech** –reg.

Dear Sir,

We are pleased to introduce ourselves that Methodist College of Engineering and Technology is established in the year 2008, situated in the heart of the Hyderabad city to promote engineering education to both urban and rural students. The college is approved by AICTE, New Delhi and affiliated to Osmania University. The department of Electronics and Communication Engineering is offering both undergraduate course B.E. with an intake of 120. The department believes in "learning by doing" and gives utmost importance to practical exposure to the students in understanding the concepts and principles of engineering. This can be achieved only with mutual collaboration and cooperation between the institute and industry.

In tune with this the Department of Electronics and Communication Engineering is planning to organize webinar on **Career Opportunities after B. Tech**.

If interested, please give possible tentative dates and time for scheduling the event organizing.

Hope you will accept our invitation for the benefit of ongoing engineering students.

For further clarification in program schedule, Mr. T Sanand Maharshi Yadav, Asst. Professor can be contacted. Cell: 7207246617 & e-mail: methodist20122016@gmail.com

A word of confirmation is appreciated in this regard.

Organized by
Department of Electronics &
Communication Engineering

A Guidance Program
on Career Opportunities
after B.Tech

Date:
18.05.2021
Time:
11 am to 12:30 pm

Mr. Ramesh
Faculty Member
at ACE Engineering Academy

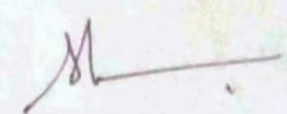

In Association with

ACE
Engineering Academy
Leading Institute for Higher Education

Methodist College of Engineering and Technology

On May 18th, 2020 at 11:00AM to 12:30 PM IST, the Department of Electronics and Communication Engineering presented an online webinar on a Guidance Program on Career opportunities after B.Tech to guarantee that students did not lose out on the drive of recent trends and advancements in engineering education. The Microsoft TEAMS, which is used to attend regular online classes, was utilized as medium to host this Webinar. The Department Head, Dr. N H Shobha Reddy, invited a resource person from Academy of Competitive Examinations (ACE), Abids, and Hyderabad. Mr. Ramesh, Faculty Member at ACE Engineering Academy addressed to students, professors, and other interested applicants at Methodist College of Engineering and Technology. All participants receive E-certificates from the Academy of Competitive Examinations (ACE) and Methodist College of Engineering and Technology's Department of ECE.

Mr. Sanand Maharshi Yadav, Department Event Coordinator and Moderator, obtained feedback from the audience and determined that the webinar was well-structured and encouraged improvements in the path making process after B.Tech. The resource person, Mr. Ramesh, leads a really productive questioning session. He taught career Opportunities for ECE students in a style that he was comfortable with, using examples to assist people understand them better.

Methodist College of Engg. & Techno-
logy, Kati, Hyderabad-1.

On the 31st of May, 2021 at 11:00AM, the Department of Electronics and Communication Engineering presented an online webinar on IPR and patenting for Budding Inventors to guarantee that students did not lose out on the momentum of recent trends and developments in engineering education. The Microsoft TEAMS technology, which is used to attend regular online classes, was used for this Webinar. Dr. N H Shobha Reddy, Department Head, invited a representative from R N Shetty Institute of Technology, Bengaluru. Dr. Dinesh K Anvekar, Professor in Electronics and communication Engineering, R N Shetty Institute of Technology, Bengaluru addressed students, professors, and other interested applicants at Methodist College of Engineering and Technology. All participants receive E-certificates from the Department of ECE at Methodist College of Engineering and Technology.

Dr Ravi M Yadahalli as a Convenor and Mr. Sanand Maharshi Yadav, Department Event Coordinator and Moderator, obtained feedback from the audience and determined that the webinar was well-structured and promoted progress in IPR. The resource person, Dr. Dinesh K Anvekar, leads a really productive questioning session on IPR. He taught Patenting Concepts in a fashion that he was comfortable with, using examples to assist people understand them better. A group of excited students from various disciplines question about patenting their final year project Ideas

Attendee feedback form

Name of the Event: IPR and Patenting for Budding Inventors
Event Date: 31-05-2021

About the event/briefing

Strongly agree Agree Neither agree nor disagree Disagree Strongly Disagree

I found the event useful

I found the content easy to understand

I understand more about the business than I did beforehand

The material covered was relevant to my area of the business

The material covered was relevant to my role

The presenter delivered the material well

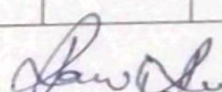

The venue was appropriate for this event/briefing

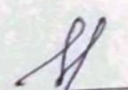

The event/briefing was of the right length

The event has answered many of my questions about the business concept

I know where to go to get further information

Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly Disagree
