The Effective Resume writing session for MBA I & II Years was organized by the Placement team. The resource persons for the session were **Mr. Kiran Sandilya, Marketing Head-PAN India, assisted by Phanisri Konte, Kiran Muthe, and Abhishek Lal.**

Objective of the session: The main objective of conducting this session was to orient students on preparing an effective Resume.

(MBA-II) Year Students **Pravalika & Sree Pooja** welcomed the guests and introduced the resource persons **Kiran Muthe**, Trainer and Mr. Abhishek Lal, freelancer Trainer & Ex HR head Accenture by reading their profiles.

Kiran Muthe started the session with a small activity to make students lively & active. He also motivated them with inspiring words and communicated to students preparing “A powerful and Irresistible Resume. He enlightened the students the importance of a well prepared resume when they attend an interview. He said resume is “Narration about you without your physical entry” and “Promoting yourself”. He elaborated on each and every point that is covered in the resume with sample resumes. He also explained how to write covering letter and rules to be followed for writing a resume.

The following were the highlighting points presented by the resource person:

1. Steps to build a resume

- Laying the foundation
- Building the resume
- Finishing the resume

2. Statement

- First few lines of professional resume are brand building opportunity.
- Need to do SWOT analysis and to highlight the strengths.
- Education qualification should follow in chronological order and rather than Marks, GPA must be taken.

3. Special skills that need to be acquired and to be reflected in the resume.

- Technical and personal
- Interpersonal skills
- Quick comprehension.

4. Activities and honors

- Foreign language
- Leader position

5. Details to be included in Covering letter

- Your name
- Address
- Date

6. Rules to be followed for preparing resume and finishing checks.

She gave the list of “DO’s” and “DON’T’s” of writing a resume. Finally, at the end of the session she interacted and took some resumes from students to check the mistakes like educational qualifications and informed them not to write in a table form, not to give too much personal details, not to write resume on the top of the page etc.

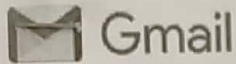

Session by Mrs. Phanisri Konte, freelancer Trainer & Ex HR head Accenture

Mrs. Phanisri Konte communicated the important points that need to be considered while preparing a resume. She made the session interactive by showing a sample resume. Finally, at the end of her session she gave a thought in the minds of students that self-identification must be made and one should know about oneself and find their uniqueness.

Sep 16, 2016 at 9:08 PM ★

To: srilalit@yahoo.com

Dear Sir,

I am delighted to write this email as I've conducted CRT classes last year that had a great impact on students. I still feel proud of that positive feedback received last year from the students.

Now that I came up with a proposal to continue our association for more productive results.

The total fee charged for the classes is Rs. 60,000/-

1. Total Trainers: Two

- a) Pavan Reddy having 7 years of experience
- b) Mr. Abid Ali having 4 years of experience

2. Areas to be covered: Quants & Reasoning

3. Duration of the training program: 24 hrs (6 hrs/day x 4 days)

4. The 50% of said amount should be paid on the second day and the remaining on fourth day of training program.

Looking forward to hear from you at the earliest.

Thanks & Regards,

Pavan Kumar
